Asset Eligibility Limitations

ASSET STANDARDS

In order to meet the requirements for assets, the total current fair market value of the claimant's household assets cannot exceed \$4,500.00.

Definition of Assets (Non-Inclusive)

Assets include, but are not limited to the cash value of savings accounts and shares, certificates of deposit, investments such as stocks, bonds, mutual funds, deferred compensation accounts, equity in real estate other than the homestead for which the exemption is claimed, motor vehicles other than one primary transportation vehicle, jewelry, coins and other collectibles, precious metals, and other similar possessions which are not essential to the subsistence or health and well-being of the claimant. Examples include, but are not limited to, selling an asset, giving an asset away, refusing an inheritance, giving up the right to receive income, and other similar divestment actions.

If an application for property tax exemption has divested any assets during the period of 36 months preceding the date of the application, then such divestment shall be considered in the determination of eligibility.
